Full Circle delivers "360° Solutions • 360° Results"

Full Circle is a leading provider of talent management, computer and career training through local workforce development initiatives, open enrollment courses and corporate training initiatives. 1,500+ Corporate clients have been served over our history including some of the largest names in the country. Our clients range from some of America's best known companies to organizations with as few as five employees. We take pride in serving the very small or very large corporate firm with the same hard work and dedication.

At Full Circle, we know that the bar for staying competitive in any marketplace keeps rising no matter the size of your company. We understand the training budget needs to show as much return on investment as your other business decisions. We help companies see tangible, measurable results by continuously upgrading the capabilities and skills of their most important assets with the most in-demand training solutions. Our computer training solutions have kept businesses, small and large, ahead of the technology curve for over 20 years. Whether your company is 5 or 5,000, Full Circle creates unique IT training, desktop software and professional development solutions that work!

Licensed, Certified & Respected

- Microsoft Office Specialist™ Authorized Testing and Training Center

One Size Does Not Fit All!

Look to us for creative solutions to your most challenging projects. We're here to help-and in the rare event that we can't, we're happy to recommend a resource who will. Consider Full Circle for:

- Customized Courses** Training for your in-house, proprietary applications, including custom written manuals, and optional web-based help and tutorials.
- Large Scale Rollouts** Initial skills assessments, post training help desk support, and customized courseware, with prices and flexible scheduling options to fit both your schedule and your budget.
- Deskside Executive Support** One-on-one custom sessions for your management team, minimizing time away from the desk and targeting critical skills.
- Trainer Walk-About** A Full Circle expert level instructor on-site at your office providing desk-side support, tackling challenges and providing one-on-one solutions in real-time.
- Outplacement Programs** Outplacement seminars and state-approved career-retraining programs for downsizing and reorganization situations.

Take Your Skills Full Circle and Benefit From:

- The smallest possible class sizes for unsurpassed, individual attention
- Flexible training formats: full-day, half-day, evening & Saturday scheduling options
- Bright, comfortable, state-of-the-art learning environment
- Expert level instructors who understand your needs and know how to communicate
- FREE refresher option - retake any course for up to 3 months (same version)
- FREE post training support for 30 days after the class

Exton or Philadelphia
training facilities.

Take the course offering covering Excel PowerPivot, Flash Fill, and valuable lookup, text and statistical IF functions!

PowerPivot is an Excel add-in you can use to perform powerful data analysis and create sophisticated data models. With Power Pivot, you can display large volumes of data from various sources, perform information analysis rapidly, and share insights easily. Learn about **Flash Fill** and some standard **Lookup and Reference Functions** (including Nested VLookup and Match/Index), plus some **Text** (Left/Right, Concatenate) and **Statistical IF Functions**.

Standard registration fee for the full-day class (9:00 AM - 4:00 PM) is \$395. **BUT ACT NOW, AND SAVE \$50 -- BOOK COURSE FOR \$345!!** (deal valid until 4/30/2019).
